

## DECLARATION OF COMPLIANCE

Date: Jul. 10., 2026

### To Whom It May Concern:

We, **RD Health Ingredients LLC**, hereby declare that our product **Olive Leaf Dry Extract (standardized to 40% Oleuropein)**, is manufactured using the following methods

Process Step	Method Used
Extraction Solvent	Purified Water / Food-Grade Ethanol
Filtration	Standard physical filtration
Drying	Spray-drying

We confirm that the product has **NOT** undergone any artificial, chemically selective enrichment or purification processes (including but not limited to: non-food-grade solvents, chemical synthesis, chromatographic purification, or selective resin-based techniques that alter the natural matrix of the olive leaf).

Based on the above, and to the best of our knowledge, this product **does NOT fall within the scope of "Novel Food"** as defined under Regulation (EU) 2015/2283.

We take full responsibility for the accuracy of this declaration. Should any manufacturing process change, we will notify our customers immediately.
